Dear Parents and Guardians of Seniors:

On Friday, September 18, 2009 the Western New York Consortium of Higher Education will be visiting Allegany-Limestone High School from 9:30-10:30 AM. Allegany-Limestone High School has granted permission for Archbishop Walsh's senior class to attend the Consortium. This is an excellent opportunity for our students to familiarize themselves with many of the colleges in our surrounding area.

I have enclosed a list of possible ice breaking questions for your child. Please discuss the list with your child and pick some of the more important questions that pertain to them. Since the consortium members are only here for approximately one hour, it is important to make the best use of the time.

Please encourage you child to actively participate in this program and all of the activities that our school has to offer. Also, know that I am always available to answer any questions you or your child may have.

If you are interested in having your son/daughter attend the Consortium at Allegany-Limestone please indicated below and return by Thursday, September 17th. Please call if you have any questions.

Sincerely,

Nick Shaw
Guidance Counselor
